City of Marinette – Wards 2, 4, 6 continued

Upon verification with Municipal Clerk, and Chief Election Inspectors (who were tabulators), it was acknowledged there were problems with the machine rejecting ballots on election night, but limited notation of the problem on the Inspectors' Statement.

As these ballots were "absentee" ballots, the ballots could not be returned to a voter for review/correction, so Inspectors rescanned ballot for acceptance. Human error on the part of the Inspectors to correlate "under vote" results with problem of machine "spitting" back the ballot.
